- This Christmas time, please consider recycling your **unwanted spectacles and your used postage stamps**. Wollaston & Strixton Mothers' Union will recycle your old spectacles and send them to World Vision who will pass them on to Africa and India where they can be reused to improve vision for those with poor eyesight. We also collect used postage stamps and send those on to raise funds to support a missionary. It will cost you a little bit of time but it is of huge benefit to those who receive. Please pass any donations to Jean Rose. Thank you.

## That Puppet Advent App

That Puppet Advent App is being designed to provide for you and the family with a Christian advent calendar with daily video clips explaining the truth behind Christmas, the nativity and other aspects of Christian message, through song, drama, craft, cracker jokes, puzzles and illusions!

The puppets (performing as teachers) form a serial story around- Little Puddle Primary School's mis-advent-ure through advent and their coping with it - finding out themselves all sorts of new things along the way.

All this delivers a friendly and entertaining way for your family to enjoy the countdown to Christmas this coming year. So remember to download the app and join in the fun.

Leaflets are available in church!
