- **Youth Intern (2)** - The leadership have been praying and planning for the future of youth work across the benefice. Sarah Howes very much feels called to youth ministry, and as a leadership we agree that she is indeed called to this. So from September we will be employing Sarah Howes to work across the benefice for 14 hours a week term time. She will take over some of the things Alia has been doing, which will mean being involved with youth work in both Bozeat and Wollaston. Its important to note that while we will be paying Sarah for 14 hours she has taken on more responsibility than she will be actually paid for and sees this as part of her giving and serving the Lord, like all of those who give of their time. (There are others who will take on other parts of Alia's role on a voluntary basis.)

A major part of the employed person's role is to carry and hold the vision for youth work and develop strategy for achieving that vision, as well as to recruit, train, support volunteers and keep the profile of youth work high on the agenda of our churches.

From September 2020 Sarah will then be taken on by the diocese, as Alia would have been this year if it had been right for her to do so. She will complete four years of training by studying for a diploma alongside working within the benefice for around 18 hours a week term time. This will be funded by the diocese. After which she will then be a full time youth worker, half of her time will be spent in the benefice and half of it will be used within the churches in our deanery. We are in a very privileged position of having a youth worker funded through this program for a period of time.

Thank you to those who have given and continue to give financially to the under 18's fund. It is crucial that over time we increase the number of people giving to this fund in order to support youth and children's work across the benefice - if you are not currently giving to this work please would you seek the Lord on whether it is something you could now do. There are giving forms in the church which are currently headed 'youth intern', this will in time change but the fund is the same.

Please pray for Sarah at this exciting time and for the young people she is currently in touch with and those the Lord will bring.

- **Northamptonshire Ride & Stride Saturday 14<sup>th</sup> September 2019** - If you would like a nice day out with the family and make some money for your church as well, please consider walking or cycling around Northamptonshire churches on this day. Sponsor forms are available from me, also a list of open churches so you can plan your route. The event is run by the Northamptonshire Historic Churches Trust and they use proceeds from this day to fund repairs and maintenance in the county's churches. Sponsor money is split 50:50 between the Trust and your nominated church. St Mary's Wollaston has benefitted with a grant towards reordering but we would like to apply for another to help with the tower spire lights which require urgent work. If you are not up for walking or cycling how about getting sponsored for church-sitting, as we keep the church open all day on the Saturday between 10am and 6pm. Please see Jean Rose for more details. Thank you very much.
