- **Crafted Prayers for 2022** - Over the next few weeks a number of prayers will be published for our use. These have come from the Sunday evening 'worship, prayer & prophetic' equipping evenings. The second one is around the theme of 'Strategy for 2022'. Below is an abstract from a longer prayer which will be published in full on the Facebook and WEB pages..

Lord, you have told us that by wisdom a house is built, I pray that we set aside our pride and the ways that may manifest in us to plan well for your journey. Your word tells us that plans fail for lack of council, but with many advisers they succeed. Knowing that and trusting in your word may we embrace the skills, gifts and abilities of those we know and of those we will meet along the way. May we remember that you know the beginning and the end, and that nothing is a surprise to you. Lord, that you delight in the coming together, it is your desire for us to be unified, you want us to collide on the journey and for those collisions to bring abundance to the world.

Lord, we have heard of your fame. We stand in awe of your deeds and ask that you repeat them in our day, in our time make them known. I pray that your Word would strengthen us. That it is a constant reminder to us of your limitless love and awesome power. I pray that we remain steadfast in our willingness to play our part in your plan so that we see your kingdom come, here and now in this place. In Jesus name Amen
